

Question :

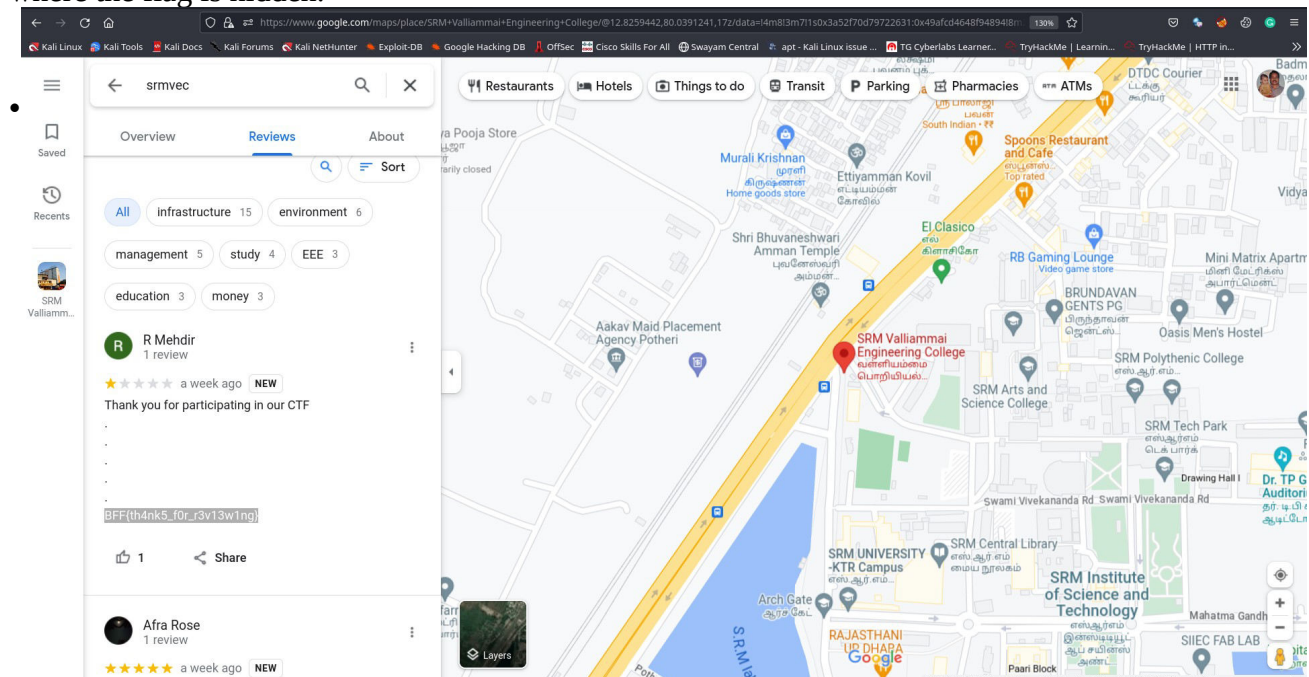

- Yuvanesh completed his higher secondary education and secured first place in the district. He now wishes to pursue Cybersecurity as his professional course. Can you help him to find out the best college for pursuing his higher education ?

Hint :

- Student Experience Speaks

Solution :

- Open your browser and search for **SRM Valliammai Engineering College**.
- Once the results are displayed, choose **map** option and read the **reviews of the college** where the flag is hidden.

From the above screenshot, you can view the highlighted flag..... Happy capturing.
